You are hereby authorizing Operator (and its successors and assigns) to process these credit card or ACH transactions according to the membership type and payment method selected above. This authorization will remain in effect until this agreement is terminated or cancelled by the process detailed below. You agree to notify the Studio of any changes to your payment information.

MEMBERSHIP BENEFITS

You may receive additional massage sessions at your then-current membership rate. Unused massage sessions rollover each month and may be used within twelve (12) months of their original issue date so long as your account remains active and in good standing. There may be additional benefits of membership as determined by the Studio. You may use your unused prepaid massage sessions at other participating Elements Massage® studios in the United States, subject to the terms and conditions set forth in this agreement. If you do not have any unused prepaid massage sessions at the time of service, you will pay that studio's then-current membership rate for the massage session. Participating Elements Massage® studios may require additional documentation (such as a separate Intake Form) for you to utilize services. Notwithstanding the foregoing, each Elements Massage® studio is independently owned and operated. This membership may be shared with ONE additional person identified as an Associate Member and he/she will receive the same benefits.

MEMBERSHIP CANCELLATION

To cancel this membership, a completed Cancellation Form must be presented to the Studio at least thirty (30) days prior to the next monthly auto payment date, or such other notice as required by law. In the event of failed payment or inappropriate conduct by you or your Associate Member (as determined by Operator at its sole discretion), Operator reserves the right to terminate your membership. Excluding termination for inappropriate conduct, you acknowledge and agree that any unused prepaid massage sessions must be used within sixty (60) days of the date of your last auto payment, after which time any remaining unused sessions will be forfeited. No refunds will be issued for forfeited massage sessions.

Appointments may be cancelled without charge up to 24 hours before the appointment's scheduled start time. Cancellations made with less than 24 hours' advance notice may be charged a Late Cancellation fee up to the full cost of the booked session as determined by studios.
